

CHECKERBOARD CAKE

INGREDIENTS

- 1 Chocolate Cake, prepared, 9 inches (23cm) – cake can be shop bought mix
- 1 Yellow cake, prepared, 9 inches (23cm) – cake can be shop bought mix
- Chocolate Frosting

PREPARATION

1. Slice the top of both cakes to create a flat surface.
2. Cut both cakes in half widthwise to create four cakes.
3. Place a small plate on top of the cake and cut around to create a smaller circle.
4. Place a glass in the middle of the cake and cut around to create an even smaller circle.
5. Assemble the first layer by placing the outside chocolate ring on a plate or cake stand. Insert the next yellow cake ring and then the inner chocolate cake ring.
6. Frost the cake with a thin layer of frosting in between each layer.
7. Continue forming layers alternating the colors on the outside.
8. After the fourth layer frost the entire cake and cool in the refrigerator.
9. Slice and serve.
